

DIAMATIX: YOUR TRUSTED PARTNER IN CYBERSECURITY, IT & AI INFRASTRUCTURE, AND COMPLIANCE

ABOUT US

DIAMATIX is a Lloyd's Certified MSSP, delivering cutting-edge security solutions, AI-driven infrastructure, and regulatory compliance services. With deep expertise in SIEM/XDR, IT architecture, and risk assessment, we empower businesses to secure their digital landscape, enhance operational resilience, and stay compliant.

OUR BUSINESS UNITS

1. Managed Security Services Provider (MSSP)

We provide a full spectrum of security operations to protect enterprises against evolving cyber threats.

- SOC as a Service (SOCaaS) – 24x7 Monitoring & Threat Intelligence
- Managed Detection & Response (MDRaaS) – Advanced Threat Mitigation
- Firewall as a Service (FWaaS) – Next-Gen Firewall Protection
- Backup as a Service (BaaS) – Secure Data Storage & Recovery
- Disaster Recovery as a Service (DRaaS) – Business Continuity & Resilience
- Patch & Vulnerability Management – Proactive Threat Remediation

2. IT & AI Infrastructure Solutions

We architect and deploy scalable IT and AI-driven infrastructure tailored to modern enterprises.

- AI Composable Infrastructure – Powered by our partnership with Liquid
- Hybrid Cloud & Edge Computing – Secure and Optimized
- Enterprise Networking – Fortinet and Next-Gen SD-WAN Solutions
- HCI & Data Center Modernization – Secure, Scalable & Intelligent
- Advanced System Integrations – Seamless and Efficient Deployments

3. Consulting & Compliance

We ensure organizations stay ahead of regulatory demands with our expert consulting services.

- Regulatory & Cyber Compliance – ISO 27001, NIST, GDPR, and More
- Risk Assessments & Audits – Comprehensive Security Evaluations
- Maritime Cybersecurity Excellence – Cyber Resilience for European Ports
- Incident Response & Forensics – Expert-Led Investigation & Recovery

OUR TECHNOLOGY & PARTNERSHIPS

We leverage world-class cybersecurity and IT solutions through strategic partnerships:

- Liquid – AI Composable Infrastructure Innovators
- Fortinet – Enterprise Security & Network Solutions
- Acronis – Advanced Data Protection & Patch Management
- Opensearch & AI Analytics – Intelligent Security Insights
- CheckPoint – Advanced Threat Prevention & Network Security
- Nutanix – Hybrid Cloud & HCI Solutions
- Arista – Next-Gen Cloud Networking

WHY CHOOSE DIAMATIX?
