

## Cybersecurity Packages

### 24/7 Full-Stack Protection & Compliance

Modern businesses face constant cyber threats, stricter compliance pressure, and a shortage of skilled experts. DIAMATIX Packages are designed to deliver continuous protection, regulatory alignment, and long-term peace of mind.

**24/7 SOCaaS & MDRaaS**, powered by Shield SIEM/XDR

**Compliance-ready:** DORA, NIS2, ISO/IEC 27001 reporting

**Full-stack coverage** (endpoint, email, network, cloud, OT/IT)

**Scalable subscriptions** (100 - 500+ users)
